Dear Mr. Scully:

I do not remember to have received any account for  
the taxicab which was used by us on the day President Van Hise spent  
in the city. If it comes I shall be glad to forward it to you.

With many thanks,

I am,

H. D. Scully, Esq.,  
Treasurer, Canadian Club,  
Toronto.

Dear Mr. Scully:

I have sent Mr. Taft one hundred dollars in payment of his expenses in coming to Toronto, and this morning I have received an acknowledgment from him for that amount. Of this amount I am paying fifty dollars on behalf of the University. I hope that the Canadian Club will not think it extravagant if I ask them to join us by a contribution of fifty dollars for this purpose.

I am glad to be able to tell you that this morning Mr. Taft informs me that he accepts our invitation to return next winter and deliver three lectures at the University on the Marileet Foundation. It will be good news I am sure to a large number.

With kind regards, I am,

Yours sincerely,

President.
